

Wales Goes Green – ECO-FRIENDLY BEHAVIOUR

jeudi 2 décembre 2021, par [BLANC](#)

M. BLANC's students from 2°10, 2°11 and 2°12

During their unit on 'Wales goes Green', **students from 2°10, 2°11 and 2°12** have decided to act and raise awareness about environmental issues.

To do so, they have created posters with slogans in order to help their fellow students and classmates be more aware of these problems.
